Hello from Scotland

What a difference a year makes. Last year *Artair Bear* had to wear his shades and sweated his way through the 2022 Glasgow Kiltwalk on the *Bonnie Banks* of Loch Lomond.

This year was a different kind of hike around Balloch Park. 5km on a damp, driech day in Scotland. So damp, that *Artair* needed his poncho, but his wee legs managed the distance supported by Christine, Janice and myself. He needed a blow dry however, when he got home.

It was Glasgow's biggest Kiltwalk ever, with over 14,000 registering for the event. The Clan Arthur banner was the only one present and it gained a lot of interest and admiration. The banner was caught on film at the 11am start at Loch Lomond Shores and can be viewed here:
